My dear brother Mian Nizam ud din khan

Assalamu'alaikum

Today I read in the newspaper that my brother Muhammad Amin Khan died at night, that is also in Karachi. I missed seeing his face for the last time.

included copy of telegram sent to Bhutto sahib. I'm sure I will not be allowed to come for fear of Muhajer Punjabi. But it should be on the record of history.

You Please accept my condolence with you yourself, tribe, khosa nation and country on death of this prominent personality.
